1 Kings (Reformed Expository Commentary)

Philip Graham Ryken

1 Kings (Reformed Expository Commentary) Philip Graham Ryken

Dynasties, fractured kingdoms, prophecies of coming hardships the book of 1 Kings is a grand, sweeping narrative of the beginning of the downfall of God's people. Its size and scope may seem intimidating, but Phil Ryken shows us in this biblical, doctrinal, practical, and Christological commentary how this imposing book can be divided into three key sections.

First, the stories of Solomon focus on the themes of money, sex, and power, inviting us to learn from Solomon's example. Will we use these things wisely for kingdom purposes, or foolishly abuse them for selfish gain? Then the middle of the story, on the divided kingdom, shows the destructive consequences of sin among the people of God especially the sin of idolatry. The final section demonstrates the power of prayer to the true and living God, as exemplified in the life and ministry of God's prophet Elijah.

Phil Ryken both brings out the key themes of these three sections and illustrates how they come together in their focus on the gospel of Jesus Christ, especially his kingly and prophetic offices. This is an excellent resource for those who want a devotional aid and will help Bible expositors reliably teach a redemptive-historical view of this important Old Testament book.

As are all the books in the Reformed Expository Commentary series, this exposition of 1 Kings is accessible to both pastors and lay readers. Each volume in the series provides exposition that gives careful attention to the biblical text, is doctrinally Reformed, focuses on Christ through the lens of redemptive history, and applies the Bible to our contemporary setting.
