Jane Eyre has lived a sheltered, callous life. Orphaned at a young age and despised by her remaining family, she is shipped off to Lowood School and can only dream of tenderness and affection. Upon accepting a governess position at Thornfield Hall, a world of passion, desire, and sex explodes before her naive eyes in the form of the brooding, dashing master of the house: Mr. Rochester. Jane finds herself succumbing to his savage, brutal lust and losing herself in the intense heat of her yearning. Jane believes that beneath Mr. Rochester's dark, handsome, and sometimes brutal exterior there must be a heart, and she is desperate to find love in his hungry caresses. But then, she discovers something in the attic . . . and her world is turned upside down forever.

In this cleverly retold classic, sex collides with corsets in a burst of erotic, mash-up fiction, bringing the searing heat of *Fifty Shades of Grey* to the dark secrets of one of literature's finest novels, *Jane Eyre*.
