"Once upon a time there was a woman who lost her sense of being loved."

So she tried to be more loving to give love, model love, work hard at love only to find herself empty, weary, failing to experience the richness and completeness of God's love for her.

Through these moving conversations with God, Ruth Senter will take you on a personal journey from performance and obligation to delight and peace in His all-embracing love. Tracing her own journey from discouragement and burnout to security and refreshment, she explores why so many women doubt or fail to experience the rich love of God.

If you long for the joy and security of knowing that you are forever the object of God's delight no matter how well you do at loving turn to these intimate conversations for comfort and rest. You'll find yourself in the arms of the compassionate heavenly Father who knows you best-and loves you most.

Deeply moving, powerfully personal.
