Loyalty to Loyalty: Josiah Royce and the Genuine Moral Life (American Philosophy (FUP))

Mathew A. Foust

Loyalty to Loyalty: Josiah Royce and the Genuine Moral Life (American Philosophy (FUP)) Mathew A. Foust

As a virtue, loyalty has an ambiguous place in our thinking about moral judgments. We lauded the loyalty of firefighters who risked their lives to save others on 9/11 while condemning the loyalty of those who perpetrated the catastrophe. Responding to such uneasiness and confusion, *Loyalty to Loyalty* contributes to ongoing conversation about how we should respond to conflicts in loyalty in a pluralistic world.

The lone philosopher to base an ethical theory on the virtue of loyalty is Josiah Royce. *Loyalty to Loyalty* engages Royce's moral theory, revealing how loyalty, rather than being just one virtue among others, is central to living a genuinely moral and meaningful life. Mathew A. Foust shows how the theory of loyalty Royce advances can be brought to bear on issues such as the partiality/impartiality debate in ethical theory, the role of loyalty in liberatory struggle, and the ethics of whistleblowing and disaster response.
