Hunting Evil Carlton Smith

What did a high-priced hooker and a low-class sex-offender have in common? It was-according to police-their lust for stalking, raping, and terrorizing young women and girls, in once case as young as thirteen-years-old.

Michelle Michaud and her husky-voiced boyfriend James A. "Froggy" Daveggio used to hang around the local high school in search of their prey-and are suspected of brutally raping numerous women in the gutted van that was rigged to strap down their victims. But they may have gone farther than that...

When the body of 22-year-old Vanessa Lei Sampson was found by the side of a California highway, police zeroed in on Michaud and Daveggio, who may be responsible for the young woman's murder, as well as numerous rapes. In a case as strange and gruesome as fiction-one of the few in which a woman has taken part in sexual assault-author Carlton Smith explores the twisted motives and shocking exploits of this dark and deadly duo.
