## **Basic Fantasy Role-Playing Game 3rd Edition** Chris Gonnerman

This is the revised 3rd Edition of the **Basic Fantasy Role-Playing Game**, a rules-light game system based on the d20 SRD v3.5, but heavily rewritten with inspiration from early RPG game systems. It is suitable for those who are fans of "old-school" game mechanics, and it's simple enough for children in perhaps second or third grade to play, yet still having enough depth for adults as well.
