Christian Jihad: Neo-Fundamentalists and the Polarization of America Colonel V. Doner

In "Christian Jihad", Colonel V. Doner presents an authoritative and extraordinary dissection of the Neo-Fundamentalist mind, focusing primarily on its manifestation within Christianity. Doner provides an inside look at what drives the culture war with all its fear and paranoia, its "God-given" mandates, its "biblical" vision for God, country, and family, and how someone like Sarah Palin has become possible. But after showing us how we got into this mess in the first place, Doner provides a strategy for discovering a civil and peaceful way to disagree, even to find reconciliation, and finally end the vitriolic rhetoric and polarization that continues to cripple our country.
