Is your career working for you? Do you have all the money you need? Do you like your job? Are you happy in your relationships? Are you as fit and healthy as you want to be? Does where you live support your career---and your soul? Will your education meet the changing demands of the 21st century? In *A Plan for Life: The 21st Century Guide to Success in Health, Wealth, Career, Education, Love, Place...and You!* you'll learn why 20th century rules no longer apply in the 21st Century. You'll find out how these 7 key areas of life are interconnected and must be maximized for success in order to reinvent yourself for the future. In *A Plan for Life* you will: Learn how to get fit and healthy---and stay that way. Find out what you need to know to create wealth in a post-recession world. Discover what it takes to craft a successful career path in the chaotic 21st Century. Learn why ongoing education for life is your key to future success. Discover why "place" is a critical decision that affects your career, love life, happiness, and success. Find out why Facebook CEO Sheryl Sandberg says who you love may be the single most important decision of your life. And you'll find out why YOU are the key ingredient to complete your successful Plan for Life. In *A Plan for Life* author Eric Wentworth discusses the macro and micro forces that are completely changing the world---and what you can do to successfully adapt to it. Whether you are a recent college grad or a Baby Boomer trying to figure out the next 30 years, you'll learn how to take action to successfully reinvent yourself in the 21st Century.
