Step Sitter (Taboo Romance) Nikki Wild

When 19-year-old Annie Waverly gets stuck at home with Evan, the 21 year old **boy she grew up with**, she can't imagine a worse fate. She's way too old for a sitter no matter what anyone else says, especially when the person who's supposed to be looking after her is too busy getting drunk to care.

After some friendly teasing goes too far, Annie realizes that Evan is different from other men. He's **big, thick, and hungry** for one thing: to take her **hard and without protection**. Will fertile, **untouched** Annie submit to his advances? And considering the heat Evan is packing between his legs, **could anybody blame her if she did?**
