The Black Locust (The Wiccan Tales) (Volume 1) Ken Mann

Jane is still learning her craft and honing her skills learnt from a long family Wiccan tradition. She has lived with her Aunt Claire for years since her mother was killed in an accident. The Beltane ritual is fast approaching, and life could not be better. Then a strange visitor warns Jane that her life is in great peril. A world of magick and mystery awakens around her as she battles the truth of her past, her own emotions, and a darkness that has vowed to hunt her down. Is she equipped with enough knowledge to combat the evil that stalks the realms in search of her? Will her new friendships be enough to slay the darkness, or will she be reliant on old family traditions to come to the rescue?
