In a single moment

Hundreds of thousands of people died instantly,

every plane fell from the sky

and the world was plunged into darkness

This became known as The Event

The world has been reduced to empty buildings, on empty streets, in empty cities.

The people who have survived either scavenge for supplies or hunt those who have them. This is the world that Alec must enter in order to find his sister and bring his shattered family back together.

The next step in one family's epic journey to survive in a world, After The Event.
