The Secret Discussions Agent SD, Agent Dren, Agent Nigeus

This book contains the discussions of three Pseudonymous Bosch fans. If you're reading this, you've probably read the Secret Series, and that alone is very dangerous! But this book, I'm afraid, will put you in even more danger. Having read all of the books many times, we've found clues to help us form theories about the books. We'll be talking about these clues and theories in different topics, from the Oath of Terces to time travel to the Secret itself. We even had the chance to interview Mr. Bosch, who may or may not have given us some very interesting information... Needless to say, it's probably best if you didn't read this.
