Here's a handy, portable guide to preventing, evaluating, and managing diseases that can be acquired in tropical environments and foreign countries! Whether you're a physician, traveler, or both, this respected manual is your perfect source for quick, easy access to the latest travel medicine information. New updates and additional material are presented in a sleek new design that offers rapid access to the content you need. The fourth edition features more critical content than ever before-including new evidence-based recommendations and new maps and illustrations. From pre-travel advice and immunizations to the diagnosis and treatment of a full range of travel-related illnesses, you'll have all the information you need to avoid, recognize, and treat illnesses acquired away from home in a convenient, pocket size guide.

- Illustrates key concepts with visual guidance from dynamic new images.
- Offers evidence-based treatment recommendations to enable you to manage diseases confidently.
- Provides access to need-to-know information quickly in a convenient, pocket size for excellent portability.
- Features 7 major sections, color-coded for quick answers:
  - Pre-travel Advice
  - Advice for Special Travelers
  - Fever
  - Diarrhea
  - Skin Lesions
  - Sexually Transmitted Diseases
  - Worms
- Offers the most recent developments in tropical and travel medicine to keep you up-to-speed.
- Features more critical content than ever before-including new evidence-based recommendations, new maps and illustrations, and new vaccines and drugs used in travel medicine - all in a new full color design.
- Highlights major issues in new chapters such as Urban Medicine: Threats to Health of Travelers to Developing World Cities; Pre-Travel Risk Assessment and Health Advice for Missionaries and Other Long-Term Expatriate Volunteers; Trematodes; and others.

**From reader reviews:**

**Teresa Ealy:**

Book will be written, printed, or outlined for everything. You can learn everything you want by a guide. Book has a different type. To be sure that book is important factor to bring us around the world. Close to that you can your reading ability was fluently. A guide The Travel and Tropical Medicine Manual, 4e will make you to be smarter. You can feel much more confidence if you can know about almost everything. But some of you think in which open or reading the book make you bored. It isn't make you fun. Why they could be thought like that? Have you seeking best book or suited book with you?

**Mona Savoy:**

What do you about book? It is not important along with you? Or just adding material when you want something to explain what the one you have problem? How about your extra time? Or are you busy person? If you don't have spare time to perform others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? Everybody has many questions above. They need to answer that question mainly because just their can do in which. It said that about reserve. Book is familiar on every person. Yes, it is right. Because start from on guardería until university need this kind of The Travel and Tropical Medicine Manual, 4e to read.

**Robin Curtin:**

Reading a reserve tends to be new life style in this particular era globalization. With reading through you can get a lot of information that will give you benefit in your life. Using book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. Many author can inspire their very own reader with their story or even their experience. Not only situation that share in the books. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors these days always try to improve their ability in writing, they also doing some research before they write with their book. One of them is this The Travel and Tropical Medicine Manual, 4e.

**Joseph Lewis:**

A lot of guide has printed but it differs from the others. You can get it by web on social media. You can choose the best book for you, science, comedian, novel, or whatever by searching from it. It is referred to as of book The Travel and Tropical Medicine Manual, 4e. You can include your knowledge by it. Without leaving the printed book, it could add your knowledge and make anyone happier to read. It is most significant that, you must aware about guide. It can bring you from one destination to other place.
