Vampires reign supreme in this second drawing book from Walter Foster's clever and innovative series Learn to Draw Like the Masters. Author Eugene Caine guides readers on an informative, artistic journey while he demonstrates how to draw an assortment of spellbinding vampires utilizing a range of techniques from history's master artists, such as da Vinci, van Gogh, and Picasso. Aspiring artists can discover the history of each featured master and then revel in the "evidence" and in-depth "research" that uncovers the "truth" about the dark underworld of vampires—all while learning to work in pencil, pastel, acrylic, watercolor, and oil. Written with wit and humor by a true vampire aficionado and art history buff, this exquisitely designed book is sure to become a permanent part of every artist's library.
