What allows a millionaire who has lost everything to quickly rebuild that fortune, while others struggle for years to figure out how to make their first million and never get there? The truth is that success is a learned skill. Once you learn to apply the required skills, success becomes achievable and predictable. Based on the author's 25-year career as an entrepreneur, having built numerous multi-million dollar businesses, 20/20 Hindsight will save the beginning entrepreneur from engaging in many years of trial and error, and mistakes that waste tremendous resources, both in time and money. Beginning with the strategies he created when he was in his 20's that enabled one investor to walk away with a net profit of \$1.7 million dollars, author Parviz Firouzgar offers a compilation of real life lessons that entrepreneurs won't learn about in business school. 20/20 Hindsight enables entrepreneurs to learn the skills that can only come from experience. But even seasoned entrepreneurs can benefit from some of the profound lessons Parviz shares to accelerate their trajectory toward higher levels of success! His 20/20 Hindsight can be your 20/20 Foresight!
