Daddy's Little Princess and Will You Love Me 2-in-1 Collection Cathy Glass

Sunday Times and New York Times bestselling author and foster carer Cathy Glass' moving memoir Will You Love Me now combined in a single volume with her heartbreaking new title Daddy's Little Princess, about a little girl who doesn't understand what her father has done wrong.

Daddy's Little Princess tells the story of Cathy's suspicions about there being something wrong with the relationship between Beth, aged 7, and her father Derek. Despite Cathy flagging her concerns to the social worker Jessie, no action is taken. Until Jessie accompanies Beth to the hospital to see her father... Then, suddenly, everything changes. All contact is stopped and Cathy is left to help pick up the pieces as poor Beth struggles to understand what her daddy has done wrong.

Will You Love Me tells the true story of Cathy's adopted daughter Lucy, who was abused and neglected for most of her childhood. When she comes to live with Cathy, it is thought the damage done is irreversible. But Cathy and her two children bond with Lucy in a way no-one else has been able to, finally showing her the loving home she never believed existed. Cathy and Lucy believe they were always destined to be mother and daughter – it just took them a little while to find each other.
