Does your husband always seem to miss the point of what you're saying? Do you feel that your wife never listens when you're trying to say something important? Do the two of you have the same old arguments over and over again? In this book, the authors, who are professional communication experts, reveal an important breakthrough method for improving communication in relationships. This system was developed out of Foster's overwhelmingly successful interview technique, which is professionally regarded as one of the best methods of communicating, interacting with people, and getting them to reveal their essential nature.
