Kings of the Internet: What You Don't Know About Them? Mohammad Bahareth

What's in the Book The Internet is considered among one of those inventions of modern age which have just revolutionized the world. It's most powerful & versatile source of knowledge for every common man today. It has touched every aspect of our life. Be it some delicate medical condition, be it decorating your home and diet of your loving pets, be it finding the whereabouts of one of your dearest friend of your school, be it very personal problem in your life and many more; information pertaining to anything and everything that we can think of, can be obtained through the Internet. In this book, You will be introduced with the masterminds who were behind the idea of creating a world at the back of a monitor screen. From just an idea, they have created technology that has brought about a difference in our lives. They who made our life easier by making our day to day work just a few click away. They who brought us close to our dear ones. They are referred to "Kings of Internet". They are the ones who took the technology to common hands with the powerful tools they have invented and transformed Internet into huge market place. Here we are trying to honor those Kings with few sentences on their early life, their struggle, the achievement they have made and their future place for us.
