Nefertiti (Nefertiti: A Novel) (Spanish Edition) Michelle Moran

La cautivadora historia de una mujer destinada a reinar sobre Egipto y su hermana. La poderosa familia de Nefertiti siempre ha engendrado esposas para los gobernantes de Egipto durante siglos y ella esta ahora destinada a casarse con Amenhotep, el faraon mas joven e inestable. Ambiciosa, carismatica y bella, Nefertiti es adorada por las masas, se convierte en la «princesa del pueblo». Sin embargo, como no puede gestar un heredero, la posicion de su familia en la corte comienza a peligrar. Nefertiti es uno de los personajes mas amados de la Historia. Su poderosa y atrayente figura como gobernante de Egipto la catapulto a la fama universal y a las ambiciones y sueños de arqueologos, historiadores y escritores. Un capitulo fascinante en la cultura egipcia retratado con maestria en esta fascinante novela.

Ambitious, charismatic, and beautiful, Nefertiti is selected to marry Amunhotep in the hopes that her strong personality will temper the young pharaoh's heretical desire to forsake Egypt's ancient gods. But as political winds begin to shift the only person wise enough and brave enough to warn the queen is her younger sister, Mutnodjmet. Fast-paced and historically accurate, it is the dramatic story of two unforgettable women living through a remarkable period in history.
