Vampire Silver: A Secret Guardians Novel H.T. Night

An ancient vampire. A stolen coin. A broken coin.

The battle between good and evil heats up—and the outcome will be for keeps...

Vampire leader Josiah Reign knows that once he figures out where it is, the vampire Judas Iscariot will return for the cursed silver coin he stole. But this time, Judas won't just take the silver and leave. There are some fates worse than death...and this is one of them.

While in Rome, Josiah learns that a silver Judas coin was broken into three pieces and entrusted to others for safekeeping. As well, he's got a whole stolen coin to hide from Judas.

As Josiah gathers a vampire and werewolf army, Judas heads to Bethlehem to seek the witches who are entrusted with one of the silver coin pieces. The stakes are high: whoever supplies the final missing silver to Judas will take his son's place in hell. For eternity...

Judas will stop at nothing to retrieve the last of the silver and free his son. But can Josiah keep one coin safe, protect his family—and his own soul—and assemble enough loyal allies for the battle to come?
