## **A Child's History of England** Charles Dickens

A Child's History of England first appeared in serial form, running from January 25, 1851 to December 10, 1853 and was first published in three volume book form in 1852, 1853, and 1854. Dickens dedicated the book to "My own dear children, whom I hope it may help, bye and bye, to read with interest larger and better books on the same subject". The history covered the period between 50 BC and 1689, ending with a chapter summarising events from then until the ascension of Queen Victoria. If you look at a Map of the World, you will see, in the left-hand upper corner of the Eastern Hemisphere, two Islands lying in the sea. They are England and Scotland, and Ireland. England and Scotland form the greater part of these Islands. Ireland is the next in size. The little neighbouring islands, which are so small upon the Map as to be mere dots, are chiefly little bits of Scotland,--broken off, I dare say, in the course of a great length of time, by the power of the restless water...
