## **A Grand Delusion: America's Descent Into Vietnam** Robert Mann

A Grand Delusion is the first comprehensive single-volume American political history of the Vietnam War. Spanning the years 1945 to 1975, it is the definitive story of the well-meaning, but often misguided, American political leaders whose unquestioning adherence to the crusading, anti-Communist Cold War dogma of the 1950's and 1960's led the nation into its tragic misadventure in Vietnam. At the center of this narrative are seven political leaders-Dwight Eisenhower, John F. Kennedy, Lyndon Johnson, Richard Nixon, J. William Fulbright, Mike Mansfield, and George McGovern. During their careers, each occupied center-stage in the nation's debate over U.S. policy in Vietnam. This is a piercing analysis of political currents and an epic tragedy filled with fascinating characters and antagonisms and beliefs that divided the nation.
