## Best Bisexual Women's Erotica

Bisexual women have attained a powerful sexual mythos, but as Cara Bruce writes in her introduction, it's as "a staple of everyone else's porn and erotica." In this short story collection, however, bi women reveal themselves — and their steamy sex lives — as they really are. From the first entrancing page, readers find themselves intimately involved with the passionate protagonists and their partners. The tales push erotica into the realm of timeless fiction, while featuring salacious glimpses into the lives, loves, and desires of a diverse group of women. Playful, sexy, scintillating, and sometimes heartbreaking, *Best Bisexual Women's Erotica* delivers a smart, one-handed read for both sexes.
