## **How to Get Pregnant** Sherman J. Silber

For decades, Dr. Silber's HOW TO GET PREGNANT has been the most popular resource for couples trying to conceive. Now thoroughly revised and updated to include cutting-edge information on all the very latest treatments for infertility, this edition will be the ultimate guide for prospective parents in the 21st century. The comprehensive text explains not only the essential facts of getting pregnant, but also how to solve once-insurmountable fertility problems. Among the new hightech tests and procedures covered is the revolutionary technique of antral follicle count, which allows women to calculate at any point in their lives how many remaining years of fertility they have and helps them to determine whether to preserve their eggs. For all couples who dream of becoming parents, Dr. Silber's HOW TO GET PREGNANT will be the one and only book they need to address all their concerns about conceiving a healthy child.
