Luck of the Draw: True-Life Tales of Lottery Winners and Losers Chris Gudgeon

Money. Gobs of it. In the blink of an eye - or the drop of a ball— it's all yours.

Everyone dreams about striking it rich by winning a lottery. We all feverishly line up to purchase our tickets, and watch TV or scan the newspapers to see if we have won, even though the odds are better that we will be struck by lightning. Still, we persevere, because no matter what else happens this week, you can be sure that someone, somewhere, will win the big one.

Lotteries are an unparalleled popular phenomenon. But what happens after the winners are revealed, and the checks have been issued? How does winning a lottery change one's life?

Luck of the Draw profiles past winners of big lotteries, and how their windfall impacted their lives, mostly for the better, but interestingly sometimes for the worse, such was the case of a Florida widow who won \$5 million in 1984; three years later, she lost her mansion and fancy cars, and owed the IRS \$500,000 for back taxes. Eventually she was arrested for trying to hire a contract killer to take out her daughter-in-law, whom she blamed for her lottery misfortune. The book also depicts the past, present and future of lotteries in North America and the world over, and includes a special chapter on the revived phenomenon of big-time TV game show winners. Who wants to be a millionaire? Seemingly, everyone.

In a country where eighty percent of adults have played a lottery, creating a multi-billion dollar industry, *Luck of the Draw* is an insightful inside look at lotteries, its winners, and its losers.

From reader reviews:

Cassie Merritt:

Do you have favorite book? When you have, what is your favorite's book? Book is very important thing for us to be aware of everything in the world. Each publication has different aim or goal; it means that guide has different type. Some people sense enjoy to spend their time for you to read a book. They are really reading whatever they consider because their hobby is definitely reading a book. Think about the person who don't like examining a book? Sometime, person feel need book after they found difficult problem or even exercise. Well, probably you'll have this Luck of the Draw: True-Life Tales of Lottery Winners and Losers.

Pamela Adair:

What do you think about book? It is just for students because they are still students or the idea for all people in the world, what the best subject for that? Just simply you can be answered for that problem above. Every person has diverse personality and hobby for every single other. Don't to be compelled someone or something that they don't need do that. You must know how great and also important the book Luck of the Draw: True-Life Tales of Lottery Winners and Losers. All type of book would you see on many options. You can look for the internet sources or other social media.

Barbara Barnes:

A lot of people always spent their very own free time to vacation or perhaps go to the outside with them family members or their friend. Do you realize? Many a lot of people spent these people free time just watching TV, or perhaps playing video games all day long. If you would like try to find a new activity that is look different you can read the book. It is really fun to suit your needs. If you enjoy the book you read you can spent the entire day to reading a guide. The book Luck of the Draw: True-Life Tales of Lottery Winners and Losers it is extremely good to read. There are a lot of those who recommended this book. These people were enjoying reading this book. If you did not have enough space to develop this book you can buy the particular e-book. You can m0ore easily to read this book out of your smart phone. The price is not very costly but this book has high quality.

Sandra Lowe:

Why? Because this Luck of the Draw: True-Life Tales of Lottery Winners and Losers is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will shock you with the secret the idea inside. Reading this book next to it was fantastic author who have write the book in such wonderful way makes the content interior easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book get such as help improving your skill and your critical thinking method. So , still want to hesitate having that book? If I had been you I will go to the guide store hurriedly.
