No one ever said that the honest truth was easy. In this raw account of the intense love between a father and his son, no emotion goes untouched as Brian watches his son, Taylor, war against the cancer that rages in his little body. The courage will inspire you. The joy will surprise you. The hope will encourage you. And the faith will challenge you. This true story is not about a boy who gets sick and dies. It's about a boy who gets sick and "lives."
