Overview Frosty the snowman was a jolly, happy soul, with a corncob pipe and a button nose and two eyes made out of coal! Everybody's favorite snowman comes magically to life in the pages of this picture book. Featuring the festive spirit and rollicking lyrics of the original song, it's the perfect read-aloud for this holiday season. An illustrated version of the familiar song in which a snowman, who was brought to life by an old silk hat, has great fun playing with the children who built him.
