REVIEWS

"I loved this book. it is sweet and charming and filled with magic. It is a delight to read and one of the best I have read. It has intrigue and mystery, powers and romance, and the bonds of true friendship. The characters are so well defined and perfect for this story. I love Skye and Zoey, they are ideal best friends and I love the simple trust they share. The details are tremendous and made me feel like I was right there. This would be a wonderful movie. It is written with a smooth and creative flow and very easy to stay with. I love this author, Vanessa Diaz, what a vivid and amazing imagination and a real gift for writing. I want more. I definitely recommend this book to everyone. It is a blast to read." 5/5 Stars Paige Turner

"High school with super powers. What could go wrong? That's the premise of this book, but it's also much more. There is drama and action and a finely crafted world. I loved Skye's spunk and her power set or controlling the four elements, which also makes her the most desirable person by the forces of darkness and light. The characters were great, with lots of humor thrown in. This story brings to mind x-men, Harry Potter, and Twilight all meshed together. Fully of hot guys, awesome powers and a sinister villain, this ranks as one of my top favorite books. Great read!" 5/5 Stars Jamie

"Fellow gifted teenager Zoey Starks and they find themselves quickly discovering new truths about their powers and the world around them. There's much more than science and English to be learnt at Hero High." 5/5 Stars Sam G

".... The novel is a highly fun, interactive young adult novel that mixes an engaging plot with high enjoyable characters to create an experience that both is an easy read to get involved in as well as a pleasurable novel....Hero High is a great novel that tells an engaging story centered on a highly engaging main character Skye. Hero High is essentially a newer hipper adaption of X-Men or Sky High." 5/5 Stars Paris Carter
