The Whole Truth: What did the Spotlight team of the Boston Globe fail to uncover about sexual abuse in America? Joe Klest

This book exposes the breadth of the media's bias against the Catholic Church, using the child sexual abuse dilemma in society as the launching point. An amazing and liberating story told by the most credible and unprejudiced source... an attorney who has successfully sued the Church for the last 20 years. Joseph Klest sheds light on the overwhelming reform that has transformed the Catholic Church into a blueprint for prevention and intervention of abuse. The steps you can take to protect your children from abuse and the legal recourse available if your child has been abused. **THE SPOTLIGHT INVESTIGATION OF THE BOSTON GLOBE** The "Boston Globe" wants us all to celebrate its "breaking" of the "Catholic" Abuse Scandal. In fact, Hollywood has helped us all relive the well publicized Catholic Scandal with the production of the major motion picture, "Spotlight." The fact of the matter is that the "Globe," the "New York Times" and other major media outlets have long been headlining abuse reports involving the Catholic Church proudly on page one, while instances in other religions and organizations received more moderate and standard coverage or no coverage at all. In fact, the full breadth of the problem has been little discussed. Why? Because to expose the truth would undermine the most favored story line of mainstream media – the Catholic Church and its many evils.
