## The World's Great Wisdom: Timeless Teachings from Religions and Philosophies (SUNY Series in Integral Theory)

*Surveying spiritual and philosophical traditions, this volume revives the search for wisdom for modern times.*

What is wisdom and how is it cultivated? These are among the most important questions we can ask, but questions that have been routinely ignored in modern times. In the twentieth century, the search for wisdom was replaced by a search for knowledge as science and technology promised answers to life's ills. However, along with scientific achievements came disasters, particularly the devastation of the planet through the accelerating use of modern technology. In an era drenched in data, a desire for wisdom has been reborn. Where can we go to learn about wisdom? The answer is clear: to the world's great religions and their accompanying philosophies and psychologies. *The World's Great Wisdom* makes these treasuries available. Practitioners from each of the great religions—as well as from Western philosophy and contemporary research—provide summaries of their traditions' understandings of wisdom, the means for cultivating it, and its implications for the modern world. This book offers distillations of the world's accumulated wisdom—ancient and modern, religious and scientific, philosophical and psychological. It is a unique resource that for the first time in history brings together our collective understanding of wisdom and the ways to develop it.

#### **Fred Scott:**

As a college student exactly feel bored to reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's spirit or real

their hobby. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this *The World's Great Wisdom: Timeless Teachings from Religions and Philosophies* (SUNY Series in Integral Theory) can make you experience more interested to read.
