Haunted Tank

Frank Marraffino

Haunted Tank Frank Marraffino

The Haunted Tank is back in action, but this time it's an M1 Abrams in modern-day Iraq! African American tank commander Jamal Stuart has his 21st century war ride in full battle rattle and is ready for anything - anything except the whistling-Dixie combat guru ghost who shows up uninvited.

Of course, this isn't the first time the spirit of Confederate Civil War General J.E.B. Stuart has helped guide a tank. In times of war he makes himself available to assist his descendants in battle. Jamal Stuart, meet your forefather! It's the newest chapter in the legacy of a long-time DC icon from writer Frank Marraffino (*The Dark Goodbye*) and artist Henry Flint (*OMEGA MEN*).
