Joss Hyde-White left London for answers about who and what he was. What he found, with night falling, Cornwall consumed by a snowstorm quickly obscuring the road, was a carriage—a brougham by the look of it—its snow-covered horses standing like two ghosts, and a scene of horror interrupted within. A chestnut-haired beauty lay prone, requiring his assistance. But safety was not easily provided.

On this night that brought to mind vampires and the foulest creatures of myth, through the whirling snow and growing darkness, it was difficult to tell man or woman from beast. From this moment forward, no one and nothing could be trusted—not even his own instincts, be they to kiss or kill. Joss was on the road to the truth, and that would lead to the secret of his parents, to the Blood Moon Rite of ancient Persia, to the enigmatic Milosh, the Gypsy, and...THE BROTHERHOOD.
