The Life of Graham Greene: Volume III: 1955-1991 Norman Sherry

Twenty-seven years in the making, Norman Sherry's magisterial biography of Graham Greene captures the life and character of one of the twentieth century's most important literary figures. The final, eagerly anticipated volume follows Greene, still an agent for the British government, from pre-Revolutionary Cuba and the Belgian Congo to adulterous interludes in Capri and Antibes. Based on unparalleled access to letters, diaries, and Greene himself, this book gives us the writer at the height of his fame, in the company of such literary luminaries as T. S. Eliot, Evelyn Waugh, Ian Fleming, and Ernest Hemingway. With insight and eloquence, Sherry reveals Greene's obsessions, feelings, and craft, bringing to a close what Margaret Atwood has called "the definitive biography."
