MODEL AFFAIR by Cassandra Cole

Artist Zander Maddox is in trouble. A large New York City art gallery has paid him a massive sum of money to produce a new show of his sculptures and paintings. The problem is, Zander's well has run dry. He is uninspired and apathetic. Still, he knows that if he doesn't produce soon he'll have to return the advance and his career will likely be over. Enter Lorna Grayson, an ebony beauty who immediately captures Zander's heart and mind. She becomes his muse, even though he is white and nearly twice her age. For Lorna, Zander is a breath of fresh air; a man who speaks to her inner goddess without saying a word. Can this odd couple save Zander's career while struggling to build a life together while others seek to tear them down?

BONUS BOOK 1: THE TEASE

When Christina Bradford lands a coveted internship at Pearl Magazine, the hottest women's publication in the city, she is thrilled. She's weeks away from graduating with a degree in design. The internship is the chance of a lifetime to work with top writers, designers, and marketers who can help sky rocket her career after graduation. Then she meets her new boss, hotshot magazine editor, Lucas Powers. Christina and Lucas share a secret. They are stepbrother and stepsister and can't stand on another. When they are thrown together at work, Lucas tries to keep his distance, though it's like a drunk trying to resist a drink. Soon, Christina has an idea: if they act on their years of pent-up passion and "get it out of their system", then they could coexist in harmony. It's a fine theory, but Lucas knows that once he's tasted Christina's lips, there will be no going back.

BOOK 2: THE DIVERSION

Vanessa Stephens thinks she's in for just another boring weekend in Oxford, England at the 2015 Behavioral Economics Conference. Even the name of the conference is boring, as are the speakers and most of the attendees. Paying attention gets even more difficult when a handsome Irishman named Patrick takes a seat beside her and proceeds to distract her in a most wonderful way. It's completely out of character for the normally "all business" Vanessa to do so, but she takes Patrick up on his invitation to ditch the conference and have a drink at a local pub. It's even more out of character for her to end up being ravished on a public park bench and then inviting the total stranger back to her room. Can this fiery Irishman loosen up the proper English girl and do it before the sun

comes up?

BONUS BOOK 3: LOVE & MONEY

Ava Monroe has spent the last four years working her butt off to get through college. She rewards herself with a trip to Greece. Sitting at an outdoor cafe she catches the eye of a handsome, older stranger. He introduces himself as Declan McLeish. Little does Ava know, the McLeish family is one of the most powerful in Britain and Declan is heir to it all. Can Ava, the simple girl from Vermont really fit into the international business world of Declan? The question she most seeks the answer to is, exactly where does she fit in his heart...

BONUS BOOK 4: GIANNA

Bad boy with a heart, Carson Brody, isn't really looking for a hookup the night he's at the club with his best pal Richie, but the girl next to him at the bar might be the most gorgeous creature he's ever seen. Even her name is magical... Gianna. But like Cinderella, Gianna disappears into the night before Carson can get anything more than her
