## **Whispers Under Ground (Peter Grant)** Ben Aaronovitch

It begins with a dead body at the far end of Baker Street tube station, all that remains of American exchange student James Gallagher-and the victim's wealthy, politically powerful family is understandably eager to get to the bottom of the gruesome murder. The trouble is, the bottom-if it exists at all-is deeper and more unnatural than anyone suspects . . . except, that is, for London constable and sorcerer's apprentice Peter Grant. With Inspector Nightingale, the last registered wizard in England, tied up in the hunt for the rogue magician known as "the Faceless Man," it's up to Peter to plumb the haunted depths of the oldest, largest, and-as of now-deadliest subway system in the world. At least he won't be alone. No, the FBI has sent over a crack agent to help. She's young, ambitious, beautiful . . . and a born-again Christian apt to view any magic as the work of the devil. Oh yeah-that's going to go well.
