Human Resource Management in a Business Context 3rd edition is a comprehensive introductory textbook addressing the needs of business students studying HRM modules on first year courses and beyond. It approaches the theory and practice of people management from a global perspective firmly placing HRM within a wider business context. This delivers a highly accessible introduction to the subject for students approaching HRM from a range of business-related disciplines. The textbook has a truly international outlook with extensive real-life material from the UK, US, Canada and Australia throughout the book illustrating the practical application of key HRM concepts. This edition includes greater coverage of international HRM, diversity and organizational culture, and highlights HRM 'hot topics' including outsourcing, the aging workforce, and the psychological contract.

Justin Davis:

Is it you who having spare time and then spend it whole day through watching television programs or just resting on the bed? Do you need something totally new? This Human Resource Management in a Business Context can be the solution, oh how comes? A fresh book you know. You are and so out of date, spending your extra time by reading in this completely new era is common not a geek activity. So what these books have than the others?

Ora Orozco:

As a scholar exactly feel bored in order to reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just tiny students that has reading's spirit or real their hobby. They just do what the teacher want, like asked to the library. They go to there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Human Resource Management in a Business Context can make you really feel more interested to read.
