Straight from the Source: An Expose from the Former Editor in Chief of the Hip-Hop Bible

Kim Osorio

Straight from the Source: An Expose from the Former Editor in Chief of the Hip-Hop Bible Kim Osorio

Kim Osorio had a front-row seat for the biggest beefs, battles, and blow-ups in hip-hop. As the first female editor-in-chief of *The Source*, she had come up.

From her corner office, Kim got the goods on hip-hop's hottest names: Jay-Z, Nas, 50 Cent, Lil' Kim. She developed close -- sometimes intimate -- relationships with the artists she exposed to the public. But *The Source* couldn't hide its own dirty laundry for long.

Behind the scenes, the magazine's volatile owners puppeteered every issue -- even coveted honors like the 5-mic album rating and the Power 30 list of industry heavy-hitters. Then *The Source* declared war on Eminem and began the notorious assault that would send the magazine into swift decline.

In a culture dominated by men, Kim rose to the top, and after years in the magazine's pressure cooker, she hit "send" on a two-sentence e-mail that would thrust her from the sidelines of the scandalous world she reported on to the center of one of the most explosive scandals in hip-hop history. *Straight From the Source* is the Book of Kim, the tell-all memoir only she could write about her influential years at the Bible of Hip-Hop.
