The Stay at Home Mom's Guide to Divorce: Leaving your husband when you're a SAHM Sara Beth
Divorce is hard on everyone, but when you're a Stay at Home Mom, it's to know where to begin.

In this guide I have laid out the steps I personally took to leave an unhappy marriage of 10 years. I was a SAHM all 10 of those years so I know first hand the struggles of trying to leave when you're in that situation. A lot of people don't understand the struggles of even considering a divorce when you're a Stay at Home Mom, but I do.

I hope you find this guide helpful as I know how difficult it is to find help from other SAHM's who was actually able to go through with the divorce process.

I wish you all the best.
