The Young Lions Tony Maxwell

An African Adventure Story “Hello Aunt Emma, I’m glad to be here too.” She was tall and beautiful, with a fine figure only barely concealed by a diaphanous nightdress and a carelessly open dressing gown. Her long dark auburn hair cascaded over her shoulders and her pale, attractive face, wide set eyes and full sensuous lips took his breath away. Robert could not help staring at her in frank amazement. He found it difficult to equate this alluring woman with the tall, awkward girl he vaguely remembered while a young boy at Fairlee Manor in Scotland. * * * Action, adventure and erotic entanglements loom large in young Robert Hamilton’s future as he seeks to make his fortune in the rough and tumble world of the Johannesburg goldfields in the closing years of the nineteenth century. Robert’s business interests and adventures in the wilds of South Africa, bring him into close contact with the Boer peoples of the Transvaal Republic. As the threat of a British invasion looms large over the country, his support for the Boer cause finds him on the opposing side to his fellow uitlanders – foreigners. He is dismayed to discover that both of his brothers have enlisted in Canadian regiments ready to fight on the side of Britain in the Anglo-Boer War.
