Hockey Animals (My First NHL Book) Christopher Jordan

What better way to introduce your child to the entertaining, action-packed world of hockey than through a new series of books aimed at the youngest of hockey fans? Published through the combined efforts of the NHL, the NHLPA and Fenn/Tundra, My First NHL Books introduce preschool readers to the essential early concepts of learning through the fun and entertaining themes of hockey.

Count players, sticks and Stanley cups, explore the colours of the rainbow through team logos and sweaters; look for familiar shapes amongst pucks, scoreboards and nets, and work your way through an alphabet that includes everything from A is for Arena to Z is for Zamboni, and everything hockey in between.

From reader reviews:

Marcy Ontiveros:

In this 21st millennium, people become competitive in every way. By being competitive at this point, people have to do something to make these people survive, being in the middle of typically the crowded place and notice by means of surrounding. One thing that oftentimes many people have underestimated this for a while is reading. Sure, by reading an e-book your ability to survive increases then having a chance to stand out than others is high. For you who want to start reading the book, we give you this specific Hockey Animals (My First NHL Book) book as a starter and daily reading reserve. Why, because this book is greater than just a book.

Sandra Gregory:

David Henry:

The reason? Because this Hockey Animals (My First NHL Book) is an extraordinary book that the inside of the reserve is waiting for you to snap the item but later it will shock you with the secret that is inside. Reading this book adjacent to it was a fantastic author who all write the book in such an amazing way makes the content on the inside easier to understand, an entertaining way but still conveys the meaning thoroughly. So, it is good for you for not hesitating having this ever again or you going to regret it. This book will give you a lot of benefits than the other books get such as help improving your talent and your critical thinking means. So, still want to hold off having that book? If I ended up you I will go to the guide store hurriedly.

Michael Berube:

Is it an individual who has spare time and then spends it whole day by means of watching television programs or just lying down on the bed? Do you need something totally new? This Hockey Animals (My First NHL Book) can be the response to, oh how comes? It's a book you know. You are so out of date, spending your time by reading in this brand-new era is common not a geek activity. So what do these books have that the others?
