Meta-Analysis: An Updated Collection from the Stata Journal

Meta-Analysis: An Updated Collection from the Stata Journal

This collection provides detailed descriptions of both standard and advanced meta-analytic methods and their implementation in Stata. Readers will gain access to the statistical methods behind the rapid increase in the number of meta-analyses reported in the social science and medical literature. The book shows how to conduct and interpret meta-analyses as well as produce highly flexible graphical displays. Using meta-regression, it examines reasons for between-study variability in effect estimates. The book also employs advanced methods for the meta-analysis of diagnostic test accuracy studies, dose-response meta-analysis, meta-analysis with missing data, and multivariate meta-analysis.

Linda Henderson:

Often the book Meta-Analysis: An Updated Collection from the Stata Journal has a lot info on it. So when you read this book you can get a lot of advantage. The book was authored by the very famous author. The author makes some research just before write this book. This book very easy to read you can obtain the point easily after perusing this book.

Charles Adams:

Playing with family in a park, coming to see the sea world or hanging out with good friends is thing that usually you could have done when you have spare time, and then why you don't try issue that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Meta-Analysis: An Updated Collection from the Stata Journal, it is possible to enjoy both. It is good combination right, you still desire to miss it? What kind of hangout type is it? Oh can happen its mind hangout fellas. What? Still don't obtain it, oh come on its named reading friends.

Allen Grimm:

This Meta-Analysis: An Updated Collection from the Stata Journal is great reserve for you because the content which is full of information for you who also always deal with world and still have to make decision every minute. This specific book reveal it information accurately using great plan word or we can say no rambling sentences inside it. So if you are read the idea hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but difficult core information with beautiful delivering sentences. Having Meta-Analysis: An Updated Collection from the Stata Journal in your hand like having the world in your arm, facts in it is not ridiculous just one. We can say that no book that offer you world inside ten or fifteen tiny right but this guide already do that. So , this really is good reading book. Hello Mr. and Mrs. busy do you still doubt that will?
