Mindstar Rising Peter F. Hamilton

In 1993 we published *Mindstar Rising*, the first novel by Britain's number one science fiction writer, Peter F. Hamilton. This special edition also includes a short story, *Family Matters*, which is set in the same world as *Mindstar Rising*. It's the 21st century and global warming is here to stay, so forget the way your country used to look. And get used to the free market, too - the companies possess all the best hardware, and they're calling the shots now. In a world like this, a man open to any offers can make out just fine. A man like Greg Mandel for instance, who's psi-boosted, wired into the latest sensory equipment, carrying state-of-the-art weaponry - and late of the English Army's Mindstar Battalion. As the cartels battle for control of a revolutionary new power source, and corporate greed outstrips national security, tension is mounting to boiling point - and Greg Mandel is about to face the ultimate test.
