USA Today Bestselling Book

Whore. Slut. Typhoid Mary.

I've been called all these at Central College. One drunken night, one act of irresponsible behavior, and my reputation was ruined. Guys labeled me as easy and girls shied away. To cope, I stayed away from Central social life and away from Central men, so why is it that my new biology lab partner is so irresistible to me?

He's everything I shouldn't want. A former Marine involved in illegal fighting with a quick trigger temper and an easy smile for all the women. His fists aren't the danger to me, though, it's his charm. He's sliding his way into my heart and I'm afraid that he's going to be the one to break me.

Impulsive. Unthinking. Hot tempered.

I allow instinct to rule my behavior. If it feels good, do it, has been my motto because if I spend too much time thinking, I'll begin to remember exactly where I came from. At Central College, I've got fighting and I've got women and I thought I was satisfied until I met her.

She's everything I didn't realize I wanted and the more time I spend with her, the more I want her. But she's been hurt too much in the past and I don't want to be the one to break her. I know I should walk away, but I just can't.

Bonus Content Note

In celebration of Unspoken being a USA Bestselling title and cracking the Kindle to 100 (into the 30s even!), I wrote a 10,000 word extended epilogue and posted it on my website. The readers urged me to add it to the existing work and so I have. Redownload to receive the new version of Unspoken with the extended epilogue.

Note: This is a New Adult Contemporary Romance with mature content and sexually explicit scenes. 91,000+ words. Standalone novel.

"This is a lovely story of two damaged but strong individuals. Their union is an example of opposites attracting and at the same time, perfecting the other." - **Gloria H**

"I love these strong characters. There are no weak wimpy girls or stupid cruel idiot guys. There are strong damaged characters that heal themselves and the people who love them." **Sizzling Pages Romance Reviews**
