*Louisa May Alcott*

**Little Women (Barnes & Noble Classics)** Louisa May Alcott

*Little Women*, by **Louisa May Alcott**, is part of the *Barnes & Noble Classics* series, which offers quality editions at affordable prices to the student and the general reader, including new scholarship, thoughtful design, and pages of carefully crafted extras. Here are some of the remarkable features of *Barnes & Noble Classics*:

- New introductions commissioned from today's top writers and scholars
- Biographies of the authors
- Chronologies of contemporary historical, biographical, and cultural events
- Footnotes and endnotes
- Selective discussions of imitations, parodies, poems, books, plays, paintings, operas, statuary, and films inspired by the work
- Comments by other famous authors
- Study questions to challenge the reader's viewpoints and expectations
- Bibliographies for further reading
- Indices & Glossaries, when appropriate

All editions are beautifully designed and are printed to superior specifications; some include illustrations of historical interest. *Barnes & Noble Classics* pulls together a constellation of influences—biographical, historical, and literary—to enrich each reader's understanding of these enduring works.

Generations of readers young and old, male and female, have fallen in love with the March sisters of **Louisa May Alcott**'s most popular and enduring novel, *Little Women*. Here are talented tomboy and author-to-be Jo, tragically frail Beth, beautiful Meg, and romantic, spoiled Amy, united in their devotion to each other and their struggles to survive in New England during the Civil War.

It is no secret that Alcott based *Little Women* on her own early life. While her father, the freethinking reformer and abolitionist Bronson Alcott, hobnobbed with such eminent male authors as Emerson, Thoreau, and Hawthorne, Louisa supported herself and her sisters with “woman’s work,” including sewing, doing laundry, and acting as a domestic servant. But she soon discovered she could make more money writing. *Little Women* brought her lasting fame and fortune, and far from being the “girl’s book” her publisher requested, it explores such timeless themes as love and death, war and peace, the conflict between personal ambition and family responsibilities, and the clash of cultures between Europe and America.

**Camille Cauti**, Ph.D., is an editor and literary critic who lives in New York City. She is a specialist in the Catholic conversion trend among members of the avant-garde in London in the 1890s.
