On Noah's Ark Jan Brett

From janbrett.com: Picture the animals packed into Noah's ark--big, small, furry, feathered, sleek, and shiny. How did they manage all crowded in together? Jan Brett imagines Noah's granddaughter finding the way as she boards the ark with the animals and helps them settle down. That's not so easy because they thump and bump and push and press against one another. But this resourceful little girl keeps the peace, and as the ark rocks gently in new seas, the animals fall sound asleep. Then she tiptoes around untangling necks and tails, wings and paws, until she too sleeps safely between the lion's paws.
