Secretly wanting her—no problem. Her not-so-secretly wanting him—big trouble.

The Bradfords, Book 3

There's only one problem with the woman Jason "Mac" Gordon wants: his best friend's little sister is off limits. *Way* off limits, and too young and innocent for the likes of him. From past experience, he's learned to hide his not-so-nice preferences from the nice girls he seems to attract. That definitely includes the woman he's always thought of as a sister. At least until recently.

Sara Bradford always gets what she wants—which is partly Mac's fault. After all, he helped spoil her. So she has no intention of taking his no for an answer on anything—least of all his refusal to sleep with her. He thinks she's too innocent? Fine. She'll simply get *un*-innocent and show Mac that she wants him—the good, the bad and the nipple clamps.

When Mac's plan to drive her away works too well, he's forced to follow her to a tropical paradise, determined to make sure she doesn't find her wild side with anyone but him. Once she gets a *real* taste of what he likes, he's sure everything will go back to normal.

That's until he discovers a slight kink, er, flaw in his logic...

Warning: Contains hot sex at the beach, kinky online shopping—and yes, cotton-candy-flavored body powder does exist.
