Find out what happens to a man that checks into a hotel and dreams about the lactating female at the front desk. His dreams are realized when she pays him a visit one night...

Excerpt:

Behind the desk were two very attractive women, one was very tall with flowing red hair and a beautiful smile, the other was much shorter and blonde. For reasons that I cannot explain I was immediately drawn to the redhead. Even though the blonde was closer to me, and both were unoccupied, I instinctively walked to the redhead and presented my credit card and asked to check in. She greeted me with a very friendly 'Hi' and I smiled back at her. Within seconds I could already feel my eyes scanning up and down her long body. My eyes focused on her long gorgeous red hair that flowed slightly over her left eye.

My eyes glanced downwards to her pretty face and then lower and lower along her body. She worked away at the computer screen, seemingly not aware of my stares. My eyes continued to scan up and down. She was wearing the standard uniform, cranberry colored jacket which covered her chest quite well, black blouse and black pants. As my eyes scanned lower and lower I could see she had larger than average hips but this served only to turn me on even more as I imagined her without her uniform on! I desperately tried to catch a glimpse at her chest area to see how she was built but her jacket acted as a perfect shroud. I would have to imagine what her bra size was, for now. In my attempts to see how large her breasts were, I noted her name tag perching precariously above her right breast. It read 'Sarah G'. My eyes continued scanning and just as she blurted 'here are your keys sir' my eyes shot back to her eyes and we exchanged glances as I grabbed the keys from her hands, my fingers tips just grazing hers lightly. I wondered if she knew how attracted I was to her, did she feel me staring at her chest and hips and hair and face and was she attracted to me as well. I figured she sees 1000s of guys per year, why would she like me? I asked her a few silly questions, relating to check out time and the restaurant, just to prolong my time with her and then I thanked her and left for the elevators. As I turned for the elevators I pulled my eyes to the side so I could catch one last glimpse of this radiant beautiful sexy woman.

Each morning I got dressed in my business clothes and left the hotel for the conference hoping to catch a glimpse or maybe even a contrived conversation with Sarah at the front desk. However, day after day after day she was not there. Each time the desk was being manned by the blonde woman or a series of men. Was Sarah no longer an employee I wondered, was she on vacation? I deeply desired to see her one more time. I had been thinking about her so much this week and even had very intense sexual fantasies about her as I lay awake in my hotel bed. I could only dream about what it would be like to have her join me in the bed as my cock grew harder and harder in my hand as I ...
