## **Picked-Up Pieces: Essays** John Updike

In John Updike's second collection of assorted prose he comes into his own as a book reviewer; most of the pieces picked up here were first published in *The New Yorker* in the 1960s and early '70s. If one word could sum up the young critic's approach to books and their authors it would be "generosity": "Better to praise and share," he says in his Foreword, "than to blame and ban." And so he follows his enthusiasms, which prove both deserving and infectious: Kierkegaard, Proust, Joyce, Dostoevsky, and Hamsun among the classics; Borges, Nabokov, Grass, Bellow, Cheever, and Jong among the contemporaries. Here too are meditations on Satan and cemeteries, travel essays on London and Anguilla, three very early "golf dreams," and one big interview. *Picked-Up Pieces* is a glittering treasury for every reader who likes life, books, wit—and John Updike.

#### **Sandra Black:**

As a university student exactly feel bored for you to reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just minor students that has reading's soul or real their interest. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that looking at is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Picked-Up Pieces: Essays can make you really feel more interested to read.
