Excerpt:

The bartender appeared. He was a hunk with rippling muscles and long black hair pulled back tightly. If he had been the star of those tween movies she would have developed a love for vampires. He spoke in a deep and sexy undertone, "What can I get for you tonight?"

"Champagne." Of course. It had to be champagne, at least right now. Her nerves had settled somewhat and she managed to sit on the stool like she had done it a thousand times before. She had been in bars, certainly, but usually it was for a girl's night out thing and they always took a table.

"Mind if I join you?"
