A journey of immeasurable faith as well as believing in what cannot be seen or felt is at the heart of Seeing Again: Through the Eyes of a Child. This fascinating novel about clairvoyance delves into things we cannot see with our eyes, but know with certainty in our hearts.

At age three, Sammy witnesses his parents' murder. Afterward, he meets his grandmother Amanda for the very first time when she adopts him. Sam did not ask for nor did he want his so-called "gift," but Amanda is adamant to reveal the truth to Sam, even if it is painful. Will she accomplish her life's calling by opening Sam's eyes to see the truth?

Sam's life enters a path of uncertainty. Will his fate lead him to die prematurely in a gang fight or will his life have a happy ending with his true love? The answers can be found in this intriguing story as Sam learns, "Everything happens for a reason."

Seeing Again has various moving elements built around clairvoyance and prescience: Murder, Love, Fear, Joy, Reward, Hope, Hate, Faith, and most of all Forgiveness.

The characters go on Life's roller coaster not really knowing when it will dip, turn or remain still for a moment in reality.

Go on the roller coaster with Amanda Stanford, Sam Stanford, Ramon, Nelly, Jake, Joselin, Kelly Joshua and others who cross their life waves with the Standfords.

Come on the ride of life. Live an adventure through Seeing Again. See, feel and wonder what Sam has to overcome. Hold your breath when Amanda is sitting at the kitchen table waiting for her grandson Sam but the phone rings instead. Hold onto Caroline as her reality does a three sixty and life becomes insignificant. Run with Jake and Joshua when they can't believe what is happening before their eyes. Subdue the scream when Kelley and Joseline witness what no teenager should have to. Walk along the path of all these characters and come to know them. Dr. Nelly and Ramon will make you fall in love with them, while Amanda will capture your heart.
